FEATURING

DON AND BARB JACKSON

FHFSC is proud to have our very own coaches Don and Barb Jackson as the judges for this year's Performance Day!

Don has just returned from Ottawa where he and Liz Manley were the honorary hosts at the September 2022 ISU Adult International Competition. He was also a coach along with Eric Loucks and Lynn Nightengale for the three day training camp leading up to the competition.

This October marked the seventh year that Don was one of the presiding judges for the World Figuresport Figure Championships. The competition was held in upstate New York and crowned the new World Champions of figures.

Don and Barb have been extremely busy this fall. They were recent guests of Skate Canada, attending the Skate Canada International Competition in Mississauga and they were invited to a taping of Crave TV's newest comedy about figure skating. They were part of the star-studded figure skating celebrity audience cheering the skating performers on! More details on this new program in early 2023...stay tuned.

We don't know where they found the time to join us on Performance Day, but we sure are glad they love this Club and are here to make this day special for all our skaters. Sending a great big thanks to Don and Barb!
